## Fast Start Bonuses (Weekly)

AquaLyte for Life also offers a Fast Start Bonus program that is designed to give IBOs the ability to generate fast income and earn one time commissions upon IBO enrollment by offering valuable products that the new IBO can use to kick start their business.

As new customers set up their auto ship, the first order does not generate sales volume that is paid out through the 2 X 8 matrix. (All subsequent orders will generate BV that is paid out through the 2 X 8 matrix, but the first auto ship transaction is paid out to the Fast Start program.)

The Fast Start program is paid out to the true group (personal sponsoring tree), not the 2 X 8 matrix.

As long as you maintain an active Commission Qualified IBO status, you will receive the full commission payment on the Fast Start program through 8 levels of your personal sponsoring tree. On the 1<sup>st</sup> level you will receive 15% of the BV, on the 2<sup>nd</sup> level you will receive 4% of the BV, on the 3<sup>rd</sup> level you will receive 2% of the BV, on the 4<sup>th</sup> level you will receive 2% of the BV, on the 5<sup>th</sup> level you will receive 2% of the BV, on the 6<sup>th</sup> level you will receive 2% of the BV, on the 7<sup>th</sup> level you will receive 2% of the BV, and on the 8<sup>th</sup> level you will receive 2% of the BV.
